

# B.Z.U Bahadur Sub-Campus, Layyah

## Introduction

In order to equip the people of remote areas with research and higher studies, the Chief Minister of Punjab Mian Muhammad Shahbaz Sharif issued a directive No. DS(CD)CMS/09/AB-265/A/32209 dated 18-07-2009 to establish Bahadur Sub-Campus of Bahauddin Zakariya University at Layyah. In Pakistan, Layyah is one of those areas which are rich in human capital and blessed with high literacy rate among the districts of Southern Punjab. To shape up this potential, a need was felt to cater higher educational and research demands of Layyah and its adjacent areas. Through this campus, the people of Layyah can have their due share and contribution in the national economy. This campus which is not less than a blessing for the people of Layyah will prove a true oasis in Pakistan.

The goal of the campus is to provide quality education. Focus has always been to establish a close connection with the industry in such a way as the alumnae of this campus can demonstrate themselves substantially in their respective areas and fields. For this purpose the campus has introduced market driven courses. Further in order to provide exposure to the students of Bahadur Sub Campus Layyah, renowned scholars and eminent business experts are regularly invited for seminars and discussions. The sub campus has also its club named Layyah Campus Club (LCC) to arrange and conduct seminars and other extra-curricular activities in the campus regularly, so that student's potential personalities can be groomed and nurtured aptly. Layyah Campus Club (LCC) maintains a directory of the experts. The Campus has started a series of seminar / workshops in all the departments respectively. All the departments try their level best to conduct at least one seminar / workshop in each semester in collaboration with Layyah Campus Club (LCC).

Initially Bahadur Sub Campus Layyah intends to offer four Masters' degree programmes: MA English which is predominantly a literature based program, MBA, MSc Psychology and MA Economics. Further the sub campus also offers a certificate in Spoken English which is particularly aimed at improving the communicative competence of the participants. The university is also thinking about offering new Masters' degrees and evening classes in the near future.

BZU Bahadur Sub Campus Layyah has highly qualified faculty. They are imparting professional education in the field of Psychology, Business Administration, Economics and English. Moreover, the

faculty of Bahadur Sub Campus is also research oriented with international publications in the renowned and HEC approved journals of research.

Senior faculty members of the concerned departments from the main campus visit the sub campus Layyah frequently and deliver their important lectures. They also facilitate the junior staff through negotiations and fruitful instructions regarding problems in the respective fields and subjects.

Bahadur Sub Campus Layyah is also equipped with the state of the art computer laboratory. It is installed with the modern technology called NComputing which is advance as well as cost effective. The computer laboratory of Bahadur Sub Campus has 80 PCs with the availability of internet facility. The laboratory is also linked with the main campus and provides its students with all the facilities available in the main campus Multan.

Layyah Campus holds a distinctive position among other campuses of BZU as it has a latest and upto the mark language laboratory. The campus has established the language laboratory to increase English proficiency and communication skills of the participants as well as faculty of the campus. The language laboratory is furnished with both audio and video facilities, a multi media system, an overhead projector and high speed internet connectivity.

The importance of a well furnished library can not be under-emphasized in any institute of learning. Recently Bahadur Campus Layyah has completed a mega purchase of latest books of Rs. 7.0 millions for the students of all the departments. The Campus has also purchased a new bus to provide the facility of transportation to the local students of the Campus.
